A line drawing of a two-bay industrial oven. The oven has a rectangular body with two separate heating chambers. Each chamber has a hinged door that is currently open, revealing a conical object inside. The oven is supported by four legs. There are two control panels, one on the front of each bay, each with a digital display and buttons. A label 'A' points to the front panel of the left bay. A label 'B' points to the control panel of the left bay. A label 'C' points to the front panel of the right bay. A label 'D' points to the control panel of the right bay. A watermark '+7(812)987-08-81' is visible across the top of the oven.
