A cartoon illustration of a man standing in a narrow aisle of a warehouse or storage room. He is wearing a blue cap, a green shirt, and blue overalls with red patches. He has a worried expression on his face, with wide eyes and a frown. A large red question mark is floating above his head. The aisle is lined with tall shelves filled with yellow and orange boxes. The floor is made of white and grey tiles. The lighting is bright, coming from several pendant lights hanging from the ceiling.
