This diagram shows an exploded view of a hand tool assembly. The components are labeled with callouts: 412 points to a small circular cap or plug; 413 points to a larger cylindrical component, possibly a handle or a sleeve; 414 points to a smaller cylindrical component; 440 points to the main body of the tool, which appears to be a motor or a pump; 443 points to a cylindrical component, likely a motor or a pump; 442 points to a small circular component, possibly a cap or a plug; and 441 points to a bracket or a mounting plate.
