This is a detailed exploded view diagram of a mechanical assembly, likely a piece of industrial equipment. The diagram shows the main housing (1) and its internal components, including a motor (10), a pump (11), and various valves and fittings (12-15). The assembly is shown in a disassembled state to illustrate the relationship between parts. The parts are numbered 1 through 30, with some numbers appearing multiple times for identical components. The diagram is a black and white line drawing.
