This diagram illustrates the exploded view of a microwave oven assembly. The main unit is shown with its door open, revealing internal components like the turntable and waveguide. Various parts are labeled with numbers, including the control panel (25110113), door handle (00013744), and door latch (00013786). The diagram also shows the mounting bracket (00014262) and the base (00000970). The exploded view shows the relationship between the main unit and the door, as well as the internal components like the turntable and waveguide.

Part numbers visible in the diagram include:
